"All Roads Lead To Brumley South"

Volume 2, Issue 2  
December 2008

## Brumley South Inc Featured at the Fall MRS Show.

This was the first time Brumley South attended the MRS Fall Conference in Boston as an exhibitor. This year's attendance was over 5,000. Brumley South picked up several new leads and strengthened some of our longtime valued customer relationships. We would like to congratulate *Dr. Kevin S. Jones, Chair and Professor Materials Science & Engineering* who won the Garmin GPS. We want to thank those attendees who took the time to visit our booth and we hope to see you again next year.

## Brumley South now offers a Rental & Lease Program

In tough economic times, Brumley South understands the difficulties many companies are facing financially. This is why we now offer a variety of payment terms and programs. Rental and lease programs are available on most equipment. Call today to see how Brumley South can better assist your needs.

## New Expanded Lab Space

We are pleased to announce the expansion of our new Nanometrics Lab and state-of-the-art Board Testing Facility. Our new 5,000 square foot facility is located adjacent to our current address. The expanded space has allowed for more intensive testing and board repair as well as a complete lab for Nanometrics equipment repair and service. Just another way that Brumley South is trying to better serve you.
