

## Brumley South Introduces New Monthly Newsletter

We would like to welcome you to our first edition of BSI's monthly newsletter. There have been a lot of recent developments here at Brumley South and we would like to begin sharing those with you via this monthly email newsletter.

Each month we will share developing news, special offers, new products as well as an employee highlight so that you can get to know the staff of BSI a little better.

Also included each month will be a "Brumley Teaser Question." The first person to correctly answer the Brumley Teaser will receive a free gift.

We hope that you enjoy our newsletter and welcome any suggestions or comments on how this newsletter can better suit your needs.

### What's New This Month At Brumley South, Inc

- "On The Road With BSI" **MRS Fall Show, Boston**
